**Subject:** TAGME Certification event in Chapel Hill - July 25 at The Great Room at Top of the Hill

Dear [REDACTED]

Are you TAGME-certified? If not, would you like to work toward achieving this certification? If you are already certified, is it time for you to maintain your certification? An increasingly valuable credential for program coordinators to attain, TAGME Certification can further your career advancement and help ensure that you stay abreast of best practices in program management.

As a current coordinator at an ACGME-accredited program, you are entitled to attend the CareerMD event on Thursday, July 25. There, you may pick up a packet of training materials designed to support TAGME certification and maintenance. You can also network with colleagues in your local GME community. (In case you are not familiar with CareerMD events, these are networking and career development events that are open to residents, fellows, physicians, faculty members and GME staff; CareerMD events are hosted at teaching hospitals across the country.)

This event will be hosted at the The Great Room at Top of the Hill (100 E Franklin St, 2nd floor, Chapel Hill, NC) and you are invited to stop by any time between 5PM and 7PM. Please let us know if you would like to register to attend so that we may add your name to the list. There is no charge to attend.

Sincerely,

Sophie Carnegie
